

## Dragon Arts & Learning Centre – Timetable from September 1<sup>st</sup> 2010 OPEN SESSIONS (Mornings Only)

Dragon Arts and Learning Centre is part of Cyrenians Employment and Training Ltd. The project is funded to deliver training, support and employment to socially excluded adults in the Swansea Bay area. We have a proven track record in engaging and supporting people who may not have the opportunity or confidence to access mainstream education and who may have been out of the labour market for a substantial period of time.

Our timetable operates in two different ways: Morning workshops run for three hours and are open-access and flexible. Members can attend as many of these classes as they chose on a drop-in basis.

The afternoon courses are all accredited through Agored Cymru and learners can gain nationally recognised qualifications.

Please speak to the relevant tutor to decide which course will be most suitable for you.
